Subject: Alternate Station Location (West End)- Windsor Convoy

Windsor Convoy – alternate vehicle location

EWEMS, WFRS and WPD have established access to the Windsor Police Training Branch (4007 Sandwich Street, Windsor) for the period of the Windsor convoy. Moving forward until otherwise directed, EMS will station a roaming resource (ERV preferred) at the training branch throughout the hours where the convoy is active. The District Chiefs will work with CACC to direct the appropriate resources, resources will remain in that area when available resources are present.

Entry Directions

- Enter the Training Branch parking lot off of Sandwich Street, utilize the far West side drive way and park near the side Training Branch entrance (O Red)
- Use the call button at the door to gain access
- The room immediately into your left is available for WFRS and EWEMS (microwave, seating and a TV is available)
- Washrooms are down the long hall way and to the left

A single resource (ERV or Ambulance) should remain on short roaming rotations in the immediate area for no more than 2hrs unless otherwise directed by the DC's through CACC.

Vehicles remain outdoors, short idle periods are permitted but they should be monitored by the DC's.

Roaming Boundaries

- In and around the direct area of Sandwich Street from Prospect Avenue to Brock Street (not venturing into any congested protest areas around Huron Church, Ojibway or College unless necessary)
